Møde sted

Kære bruger af denne kommunikationsbog

Vi håber, du får gavn af bogen. Den kan bruges til direkte udpegning, eller man kan scanne/læse den højt kolonne for kolonne.

På bagsiden af side 3a, 3b og 4b finder du lister, hvor du kan skrive ekstra ting på, der er vigtige, når du skal snakke om, hvad der sker, imens du er på festival og senere når du skal fortælle om dine oplevelser. Du kan skrive/tegne bands på og meget andet.

På bagsiden af side 2 er et kort over festivalpladsen.

Vi ønsker dig en rigtig god Sjællandsfestival

Tak til: * Fonden Sjæleprisen for støtte til produktion af kommunikationsbogen og mulighed for at introducere den på Sjællandsfestivalen. * Neurocenter Østerskoven og Hanne Juul Jensen for ideen til denne bog og for at stille skabeloner til rådighed. * ISAAC Danmark for bidrag til trykningen af bogen. * Tobii Dynavox for at stille de PCS-symboler til rådighed, som indgår i bogen. * Ungdomsuddannelsescenter Maglemosen for at samle alle tråde omkring tilblivelsen af årets kommunikationsbog
